Notre Dame  
HIGH SCHOOL

# The President's Club

For over 60 years, students at Notre Dame High School have thrived—experiencing transformative intellectual, personal, and spiritual growth. The school itself—our program, people, and the facility—must also grow, expand, and evolve to deliver a competitive college preparatory education rooted deeply in Catholic values that nurture and nourish our students' growth.

As you most likely know, tuition revenue alone does not cover the cost of a Notre Dame student's education. We rely on the generous support of our community of parents, grandparents, alumni, faculty, staff, and friends to bridge the gap by supporting the Fund for Notre Dame, our annual appeal.

Donations to the Fund for Notre Dame extend our ability to remain competitive and exceed expectations through innovative academics, expansive athletic, arts, and co-curricular opportunities, essential professional development for faculty, improvements to our campus, and crucial tuition assistance.

The President's Club is a recognition society honoring Notre Dame's most generous donors who contribute at a leadership level of \$1,000 and above to the Fund for Notre Dame. As a member, you join a circle of devoted benefactors with shared conviction and vision that propel Notre Dame's momentum forward.

As the world around us changes rapidly, we are incredibly grateful to the exceptional generosity of our President's Club members, who provide the strength and stability necessary for growth, especially during these uncertain times. We hope you will consider supporting Notre Dame this year as a President's Club member.

***As leaders within the Notre Dame community, we will continue to shape the legacy of Notre Dame High School.***

***Your leadership motivates others to give. Thank you!***
